A new school year
Is about to begin.
And we're in it together
Through thick and thin!
I'm glad you're on my team
And I think we'll have fun.
Laughing and learning
To get the job done.
Here's a little gift
Straight from the heart.
To wish you good luck
And a really good start.
Wear it as a reminder
That if the going gets rough-
Just like this paracord bracelet
You are strong and tough!

Have a terrific school year!

Blessings,
St. Anthony's Teachers and Staff
